

# WOOD/STONE STAIN REMOVER SPRAY

Removes stains from wood and stone surfaces. Easy to use and convenient. Direct result on stains of butter, grease, oil, egg, etc. Does not leave streaks. Absorbs grease deposits and dries, leaving a thin layer of white powder on the floor that can be removed with a brush or damp cloth.

**Instructions of use** Shake well the can before use (up to 30 seconds, both horizontally and vertically, if it has not been used for a few weeks). It is preferable to treat immediately the stain. Spray on the stain, keeping the can upright from a distance of about 10 cm. Allow the product to dry completely, until you see a white powder. Remove the dry powder with a brush or cloth. Repeat if necessary. In case of doubt, test first on an invisible place.

**List of ingredients** EC 927-510-4 HYDROCARBONS, C7, N-ALKANES, ISOALKANES, CYCLICS
