

SCREEN & SURFACE WET WIPES

100 pre-moistured wipes. Streak-free cleaning without alcohol and solvents. Suitable for all types of screens (phones, tablets, computers, TV's, plasma, LCD, LED) and hard surfaces. Safe on all screens. Handy pull-through resealable tub prevents wipes from drying out.

Instructions of use Before first use remove top seal and pull the wipe thread from the centre through the opening on the top. Always close lid after use. Clean the screen from side to side and from top to bottom. Wipe gently until dry to avoid smearing. Very dirty screens may need a second application. Use on hard surfaces to remove dust and fingermarks. Please follow the cleaning instructions of the equipment manufacturer. Keep out of reach of children.

Contains Phenoxyethanol, Iodopropynyl butylcarbamate. Less than 5 % non-ionic surfactants.
