

# TYRE REPAIR BIKES

Flat tyre spray - repairs and inflates standard tyres instantly without the need to remove the wheel from the bike.

Easy to transport spray, based on special adhesive sealants. Compact size for bikers on the move. No tools or patches needed.

**Instructions of use** Shake well before use. Fit the connecting hose properly tightened onto the valve. Keeping the can upright, empty the contents of the can inside the tyre, until reaching a sufficient pressure. To disconnect unscrew the fitting quickly.
